Anything works for three holes. What worked yesterday won't work today. It won't work tomorrow, either.

There are no little problems. There are no minor adjustments. There are no tiny pieces of advice.

Humor

On July 8, 1947, witnesses claim an unidentified object with five aliens aboard crashed on a sheep and cattle ranch just outside Roswell, New Mexico. However, what you may not know is the following people were born in March 1948, 9 months after the incident...Albert Arnold Gore, Jr., Hillary Rodham, John F. Kerry, William Jefferson Clinton, Howard Dean, Nancy Pelosi, and Barbara Boxer.

How do you catch a polar bear? Cut a hole in the ice about the size of a bear. Put a net in the hole. When a bear comes along he will look in the hole. Kick him in the ice hole.

Recording on answering machine..."I am not available right now, but thank you for caring enough to call. I am making some changes in my life. Please leave a message after the beep. If I do not return your call, you are one of the changes."
