Trivia from the Internet

A woman's heart beats faster than a man's.

The largest cell in the human body is the female egg and the smallest is the male sperm.

A full bladder is roughly the size of a soft ball.

It takes the food seven seconds to get from your mouth to your stomach.

One human hair can support 6 lb.

Human thighbones are stronger than concrete.

If the average male never shaved, his beard would be 13 feet long when he died.

Men with hairless chests are more likely to get cirrhosis of the liver than men with hair.

Women blink twice as often as men.

Your ears secrete more earwax when you are afraid than when you aren't.

Your body uses 300 muscles to balance itself when you are standing still.

The average woman is five inches shorter than the average man.
